Option 1

General Recommendation

We care about your safety—both above and below the water. That's why we recommend DiveAssure, the only insurance designed specifically for divers and dive travelers. With worldwide coverage and 24/7 support from diving medicine experts, DiveAssure gives you the peace of mind to enjoy every adventure.

Option 2

Travel Focus

When planning your next dive trip, don't forget protection that goes beyond standard travel insurance. DiveAssure combines diving accident coverage with dive-travel benefits—covering emergencies, cancellations, missed connections, lost luggage, and more. Travel smarter, dive safer.

Option 3

Student / Training Focus

Your dive journey is just beginning—make sure you're protected from day one. We recommend DiveAssure for specialized diving accident coverage, so you can focus on learning and exploring with confidence.
