

A large humpback whale is swimming diagonally from the top right towards the bottom left of the frame. The whale's body is covered in characteristic white, wrinkled skin. In the upper left background, two divers are visible, providing a sense of scale. The water is a deep, clear blue, and the surface of the ocean is visible at the top with some white foam.

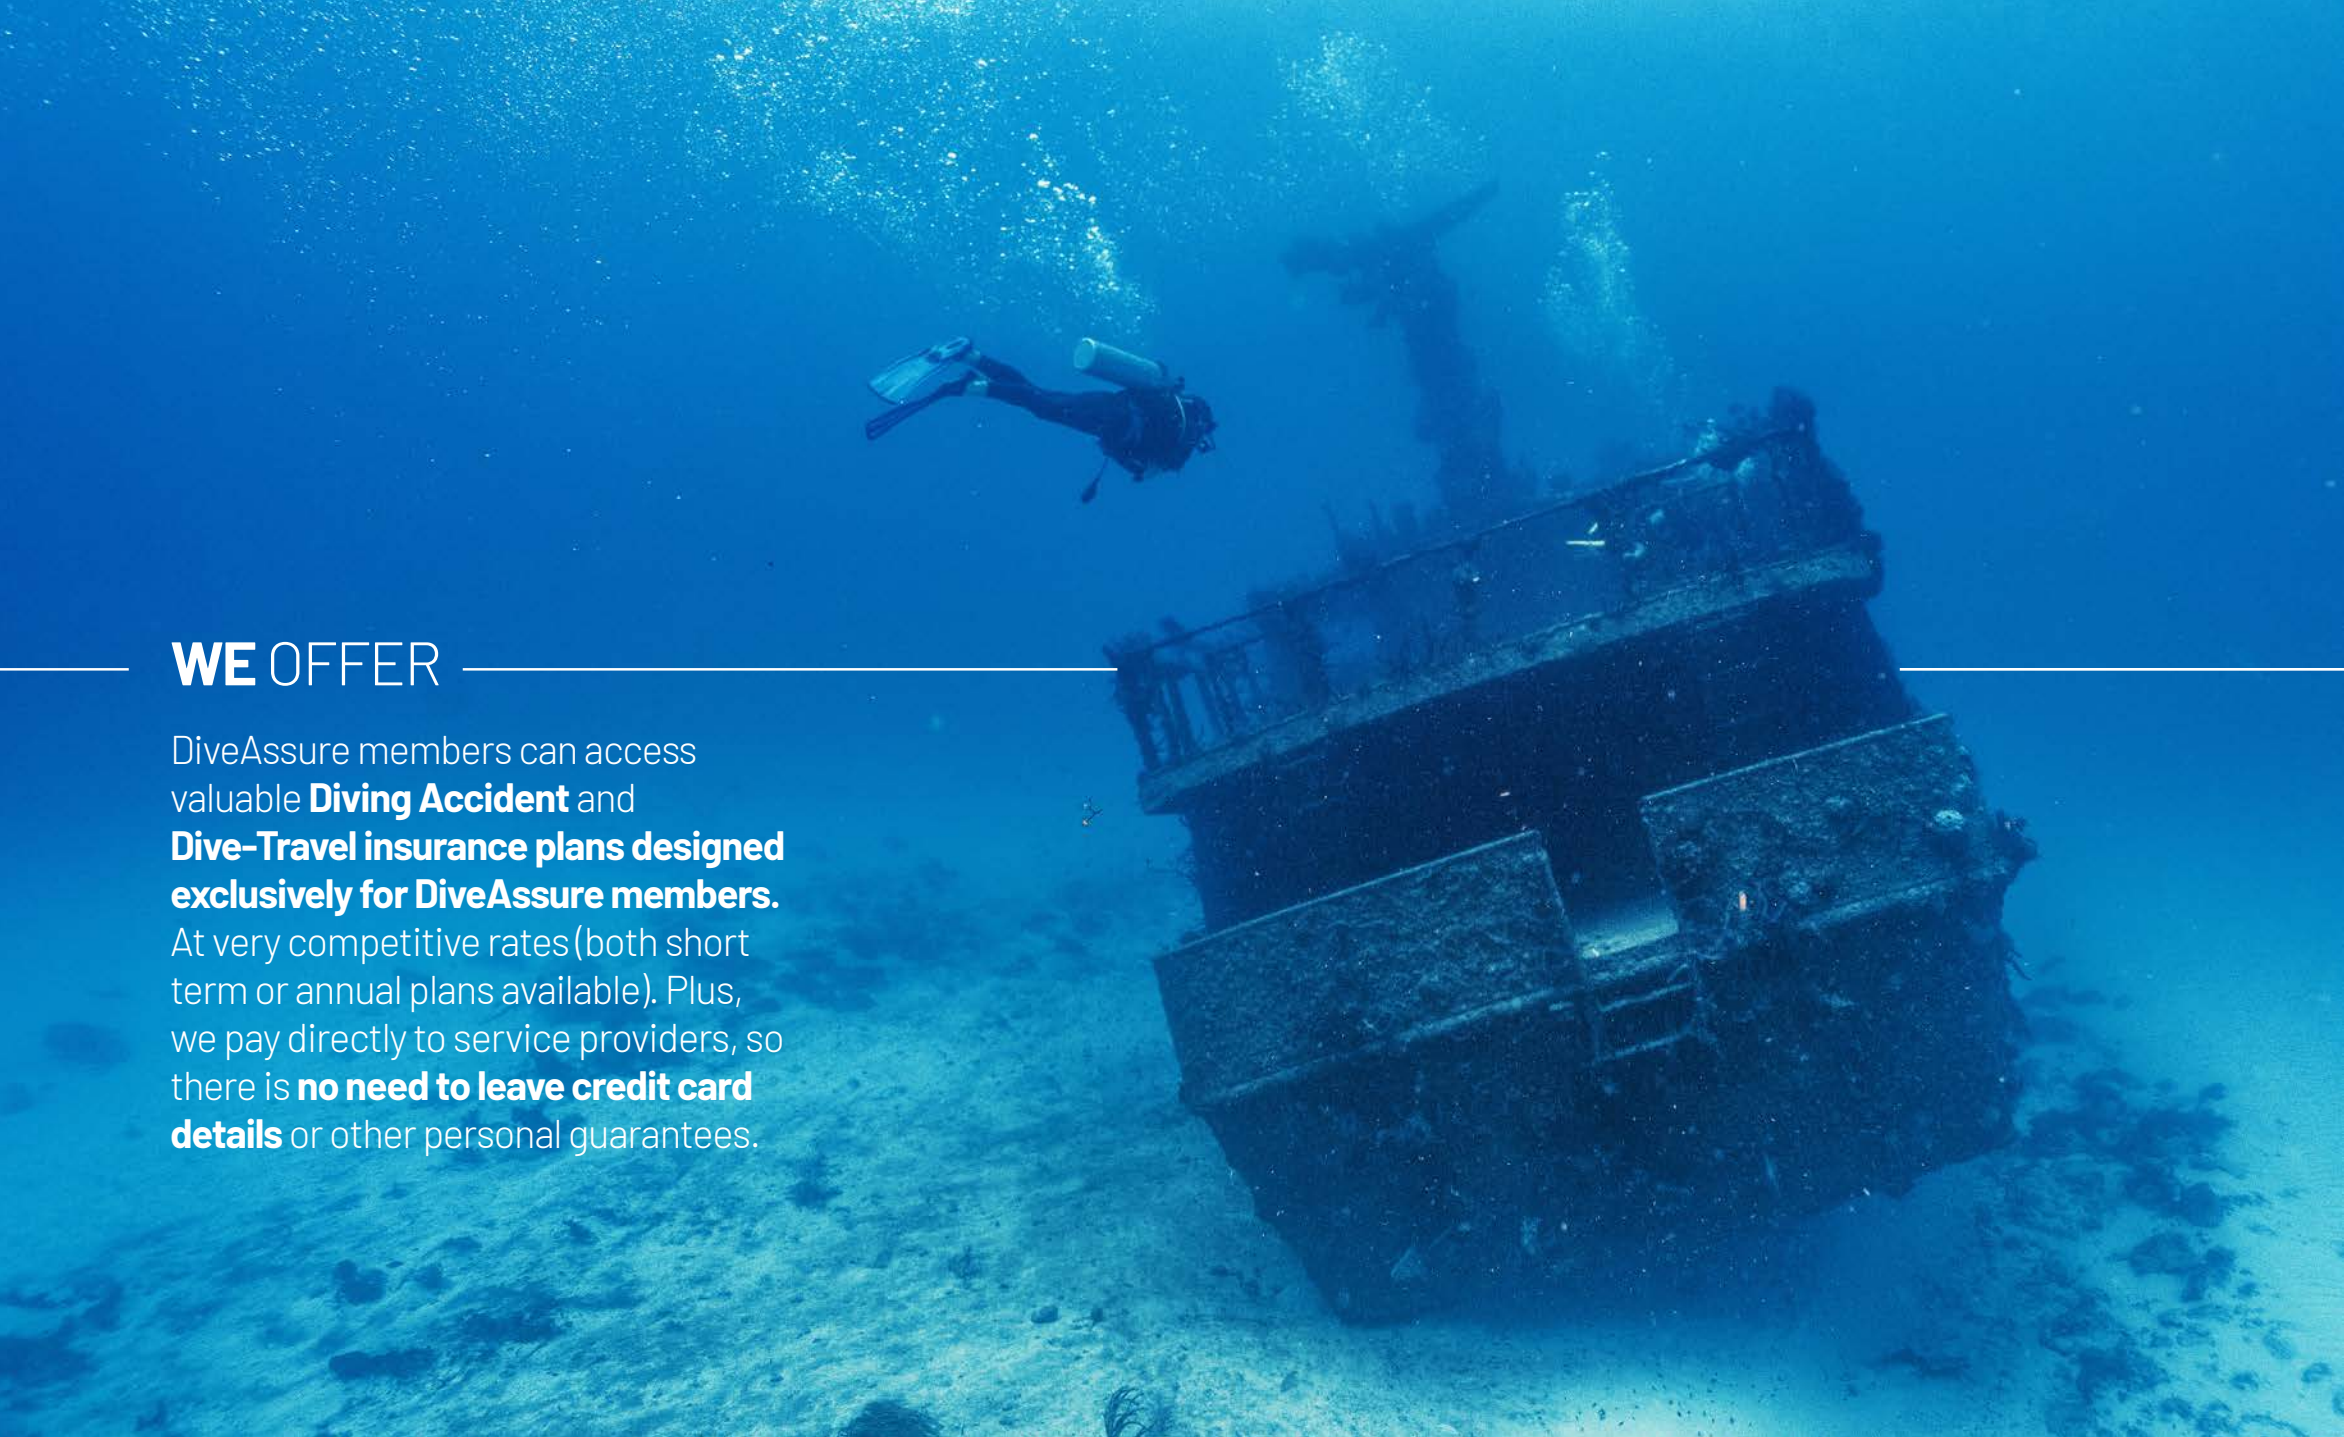

ARE
YOU
COVERED?

Behind DiveAssure

Our team **specializes exclusively in diving** accidents and Dive & Travel insurance. We provide a **24/7 hotline for emergency medical needs** - we have your back, so you are FREE TO EXPLORE.

A full-page background image showing a diver swimming in clear blue water above a large, rusted metal shipwreck. Bubbles are visible rising from the diver. The scene is set on a sandy ocean floor.

WE OFFER

DiveAssure members can access valuable **Diving Accident** and **Dive-Travel insurance plans designed exclusively for DiveAssure members.**

At very competitive rates (both short term or annual plans available). Plus, we pay directly to service providers, so there is **no need to leave credit card details** or other personal guarantees.

Our 25 years of experience and extensive understanding of the diving industry inside and out makes the difference. We offer insurance for divers, made by divers.

So Far, So Good

Beyond DiveAssure

We care DEEPLY about the ocean and the future of diving.

We donate regularly to the maintenance and improvement of local diving environments, and research organizations. We sponsor various ongoing projects aimed at improving the safety and well-being of the diving environments for both divers and marine life.

We believe knowledge and education are crucial, and work hand in hand with leaders in the diving sector to inform, share knowledge, and establish new industry guidelines for an ECO aware future.

Dive Covered, Dive Safe. DiveAssure
