DIVE LEADER PARTNER

A Dive Assure program for
dive leaders like you

A dramatic underwater photograph showing three divers in a deep blue environment. Sunlight rays penetrate the water from the top left, creating a high-contrast scene. The divers are silhouetted against the bright light. One diver is in the upper left, another in the center, and a third in the lower right. The water is filled with bubbles and the texture of the seabed is visible in the lower right.

Introducing the Dive Leader Partner (DLP) Program:

Dive Leaders,

Your students and clients trust your expertise in dive safety. You are an authority on the right insurance protection for their diving adventures, and you know that you can wholeheartedly recommend DiveAssure.

The DLP program is an innovative extension of the partnership concept that DiveAssure has been implementing since it was founded over 20 years ago.

Now, you, dive leaders, can also benefit from it.

DiveAssure allows diving professionals of all levels to make the most out of their interaction with their divers. The DLP program is a new partnership program offered by DiveAssure, tailored specifically to diving professionals that allows you (dive masters and up) to refer divers to DiveAssure's best diving accident and dive-travel insurance plans and, thus, while encouraging their safety also earn referral fees.

When recommending DiveAssure to your divers, you will earn 10% referral fees on all registrations.

How does the DLP Program work?

- ① **Scan the following QR** code and join as a DLP. The process takes a few minutes.

- ② A professional DLP account will be opened for you, **and we will send you an email with your personal QR code**. Save it on your phone.
- ③ During the diving course, when you review the section on insurance coverage, **ask your students to scan your QR code** and....
- ④ ...register for **one of the DiveAssure programs**. It's that easy!
- ⑤ If there is no Insurance Section in the diving course you teach, you may **use a short text that we will provide**.
- ⑥ You will get **referral fees of 10%** on the cost of all the referrals made by you.

It works for your Dive Center too!

The DLP program offers earning opportunities for both professionals and their dive centers. In addition to your referral fees as a DLP, dive centers that register as ACTIVE DiveAssure partners will receive full fees for all sales made by the dive leaders (DLP) employed by them. If your dive center is not a DiveAssure partner yet, you can suggest contacting us to find out how to become active partners and start earning.
